

[Veal](#)

No doubt our product excellence. Select the cattle, which certainly provides a better quality of meat, livestock is also one of the most privileged regions of the Spanish geography.

[Baby lamb](#)

One of the most precious of the earth, the raw material meets the most stringent quality standards, selected by company staff.

[Pork](#)

Comes from our own cutting steak, ribs, cheek, etc. thus significantly improving product quality, as it increases the juiciness, flavor and texture of pork.

Kid

With a raw material of the highest quality, selected by staff of the company, on family farms located in the mountains most privileged of the Galician Community.

Poultry

Authentic country chickens, such as home, with access to the outdoors with 100% vegetable diet, based largely on maize. All this care in their upbringing in a traditional manner gives the flavor and texture of life.
