

We offer quality pork comes from our plants, performed on our premises by qualified personnel.

Almost all pork consumed and to offer is the meat of "traditional white pork, with a mild flavor, high content of lean and fat percentage decreased, but this does not prevent you from enjoying just that kind of meat.

In our facilities you can also enjoy the famous "Iberian pork." While the most widely known are its exceptional cured products (ham, pork, ...), their fresh meat is the same height. Currently, since we can offer at our facility Iberian delicacies such as pork chops, the "prey", the "secret", the "chaps" and other pieces that give you the authentic aroma of Spanish pasture.
