

Carnicería Ramirás not only devotes their products to retail, but it serves and caters to coffee shops, bakeries, restaurants, butcher shops and residences ... This is because a great deal of quality and service ... that Carnicería Ramirás made daily, with great enthusiasm and the illusion of continuous improvement.

For this reason, we open the doors to the wholesale market, always offering the highest quality and best price.

You only have to contact us and together with you we try to be satisfied with our product and our service. As in the retail, we offer a friendly, always personalized and professional attention.

Do not focus solely on selling our services, we want to reach you and deliver our products at the best of consumption, therefore we own vehicle and properly approved for the transfer of fresh and chilled products, while maintaining the highest quality, reliability and professionalism .
